

Kennedy Is Elected President Of U.S.

Record County Vote Gives Nixon 4,866 Margin Over Kennedy; 91.4 Pct. Voted

With 91.4 per cent of its registered voters casting ballots in Tuesday's election, Adams County set a new record for number of voters, gave Richard M. Nixon approximately 1,000 more votes than it had given for Dwight D. Eisenhower four years ago and gave majorities on down the line to all of the Republican candidates.

The percentage of the vote was believed the highest in the county's history. All told 21,552 voters went to the polls Tuesday and an additional 442 had sent ballots in by mail through various absentee voting privileges, to bring the total vote to 21,994—or 323 more votes than the entire registration in the county four years ago.

Out of 24,068 on the registration lists, all but 2,074 voted Tuesday.

NIXON LED TICKET

Nixon received 12,637 votes for President, or 515 more than Eisenhower obtained in 1956. But Nixon was about 1,000 under the majority received by Cumberland Township's most distinguished resident four years ago. In 1956 Eisenhower had a majority of 5,876 over Stevenson. Tuesday Nixon was given a 4,866 majority over Kennedy. The vote: Nixon, 12,637; Kennedy, 7,771.

Vice President Nixon ran at the head of the ticket in the county, garnering more votes than any other Republican candidate. His closest competitor for the top honors in number of votes was the 12,010 votes received by the Republican candidate for State Treasurer to Charles C. Smith.

Thirty-six of the county's 44 districts gave Nixon a majority, eight favored Kennedy. In 1956, 35 of the county's election districts favored Eisenhower, while seven favored Stevenson. The county has added two districts in the last four years.

IN STATE CONTESTS

In the race for judge of the Superior Court, Democrat Gerald F. Flood received 8,482 votes while Republican Blair F. Gunther received 11,763.

In the vote for auditor general Thomas Z. Minehart, Democrat, received 8,269 and Republican Robert F. Kent, 11,901.

The state treasurer vote was: Smith, 12,010 and Grace M. Sloan, Democrat, 8,240.

FINISH IN 5 HOURS

Despite the huge vote, the election boards finished their work within a five-hour period. The first district to report to the county election board, Freedom, arrived at the courthouse at 9:48 o'clock, closely followed by Fairfield at 9:52. The 43rd district to report was Franklin Twp. at 1:12 o'clock this morning and the last district, Straban, arrived at the courthouse at 2:40 o'clock.

Two of the county's districts had more than 1,000 voters. In Straban Twp. 1,020 persons cast ballots. In Gettysburg Third Ward the number was 1,009. Franklin Twp. had 924 voters. Menallen Twp. 737; Gettysburg Second Ward, 796; Gettysburg First Ward Second Precinct, 754; McSherrytown Second Ward, 775, and Littlestown Second Ward, 722.

SCATTERED VOTES

Only a few votes were cast for the Socialist Labor and Workers parties. On the Presidential ballot Eric Hass and Georgia Cozzini, the candidates for President and Vice President on the Socialist Labor ticket, received 10 Adams County votes. Farrell Dobbs and Myra Tanner Weiss, the candidates on the Workers ticket, had six votes.

George S. Taylor, who was the Socialist Labor candidate for auditor general, received 51 votes. Arthur J. Felberbaum, the Worker's candidate for auditor general, had 18 votes. In the state treasurer race Herman A. Johansen, Socialist Labor, had 16 votes, Morris Chertov, the Worker's candidate, had 18.

The huge turnout of voters helped reduce the price per vote in this county. As a result of the 91 per cent vote the cost per ballot in Adams County was figured at 32 and three-fourths cents.

VOTERS SPLIT ON MERGER OF SCHOOLS, TOWN OK'S PROPOSAL

Two merged school districts will be formed in Adams County next July on the basis of unofficial returns from Tuesday's voting on merger referenda in two joint school districts.

In the Gettysburg Joint School System only Gettysburg and Freedom Twp. voters approved the merger. They will merge while the remainder of the district continues as a joint school district.

In the Lower Adams Jointure at New Oxford, all districts except Berwick Twp. and the eastern end of Straban Twp. will be merged.

CARRIED EASILY HERE

Gettysburg borough voted 1,600 to 885 in favor of a merged school district.

Freedom supported the merger by five votes, 86 to 81. The decision is expected to stand in the official count Friday for the township has only one absentee ballot, the vote of a person in military service.

Gettysburg First Ward, First Precinct, voted 248 to 204 in favor of the merger. First Ward, Second Precinct, voted 383 to 87 in favor. Gettysburg's Second Ward vote was 442 to 240 in favor and the Third Ward favored the merger 527 to 354.

OTHER DISTRICTS

In the other districts of the Gettysburg Joint System however, the voters opposed merging.

Straban Twp., where the school board favored the merger, the referendum lost, 456 to 372.

Highland voted 136 to 83 against merging. Mt. Joy's antimergers vote was 247 to 170.

Franklin Twp., where the school board worked against the merger, opposed the proposed change 654 to 160.

Cumberland Twp., where the planning commission and supervisors were opposed, the vote was 343 "yes" and 824 "no." In Cumberland the vote against the merger was 367 to 197 in No. 1 and 457 to 146 in No. 2. A majority of the school board had backed the merger.

LOWER ADAMS RESULTS

The vote in the Lower Adams Jointure showed Berwick as the lone holdout among the districts which now compose the jointure. Straban Twp., which voted whether its New Chester section should join the Lower Adams merger, now sends the children from the New Chester area into Lower Adams on a tuition basis and is not a part of the jointure. By a vote of 448 to 420 Straban voted Tuesday against placing the New Chester area in the Lower Adams merger.

The Lower Adams Jointure districts which will merge include Abbottstown, about one-half of Mt. Pleasant Twp., New Oxford, the lower part of Tyrone Twp., Oxford and Hamilton Twp. The vote in those districts favoring the merger was: Abbottstown, 166 "yes" to 55 "no"; Mt. Pleasant No. 1, 123 to 68; Mt. Pleasant No. 2, 156 to 44; Mt. Pleasant No. 3, 235 to 177; New Oxford, 451 to 170; Tyrone No. 1, 104 to 88; Tyrone No. 2, 90 to 86; Oxford, 269 to 144; Hamilton, 215 to 78.

DIFFERENT SETUP NEARBY

In Adams County the merger plan called for those district which favored a merger to merge. The nonmerging units will remain part of the same system in which they are now located, as part of a jointure including the merged districts and the nonmerger districts.

In Cumberland County, Dickinson Twp., Carlisle, Mt. Holly Springs and North Middleton districts voted on a merger. There the vote was to be decided "all or none." Overall the vote favored the merger, 3,220 to 1,784, but Dickinson Twp., along the Adams County border, voted 265 to 217 against it and as a result there will be no merger.

Funeral services at the Bender Funeral Home Friday morning at 10 o'clock with the Rev. C. Reynolds Simmons Jr., her pastor, officiating. Interment in the Marsh Creek Cemetery. Friends may visit the Bender Funeral Home Thursday evening from 7 to 9 o'clock.

Library Friends To Hear Mrs. Bowen

The Friends of the Library will hold their annual meeting in the Adams County Free Library on Monday at 8 p.m. Mrs. Earl Bowen, 34 East Lincoln Ave., will be the speaker for the evening. She will discuss the teaching of English in Afghanistan.

Dr. and Mrs. Bowen recently returned to Gettysburg after an extended residence in Kabul. Dr. Bowen, who is chairman for the biology department at Gettysburg College, was sent to Afghanistan as an advisor to the Ministry of Education. In the capacity of science specialist, his assignment was to help to arrange the science curriculum in schools throughout the country from the elementary through the university level.

During their two-year stay in Kabul, the capital, Dr. Bowen traveled throughout the country. Mrs. Bowen accompanied the women's education specialist to northern Afghanistan, where she participated in the teaching of English to adult women in centers similar to the YWCA's of this country.

Two Automobiles Are Stolen Here

Two automobiles were reported stolen Tuesday night. S. M. Brown, Gettysburg R. 2, told state police that their French coupe, George Rousseau, 32, is missing as is their 1958 brown Plymouth coupe.

Roland Schriver, Oak Ridge, told police that his 1956 blue and white Oldsmobile sedan was stolen from the high school parking lot sometime between noon and 1 p.m. Tuesday. He delayed reporting it to police because he had to check with the H & H Machine Shop to see if they had removed the car for repairs.

Goodling Wins For Congress; Hawbaker And Worley Chosen

Adams County will be represented by a Republican congressman, a Republican state senator and a Republican assemblyman as a result of Tuesday's voting.

Francis Worley, York Springs R. 1, was returned for his eighth term as assemblyman from the county.

D. Elmer Hawbaker, Mercersburg dairyman, was elected as state senator from the Adams and Franklin District.

George A. Goodling, Loganville fruitgrower, was elected congressman from the Adams, York and Cumberland Counties District, defeating Congressman James M. Quigley.

The 47-year-old Worley defeated Bendersville electrical appliance dealer Dale Eugene Clark 11,291 to 9,111 to extend his tenure of office to 16 years. Worley began his long stay in the state legislature 16 years ago but missed a two-year term when he campaigned unsuccessfully for congress.

Hawbaker, 44, won 28,705 to 24,650 in the two counties over his Democratic opponent, William O. Shuman, Greencastle, Franklin County treasurer. In Adams County the voters gave Hawbaker 11,487 votes to Shuman's 8,830. In Franklin the vote was 17,218 to 15,820 in favor of Hawbaker.

10,217 GOODLING MARGIN
Sixty-four-year-old George Goodling, who served as a member of the state legislature from York County from 1942 to 1956, defeated the incumbent Congressman Quigley by 10,217 votes in the three-county congressional district, 86,895 to 76,678.

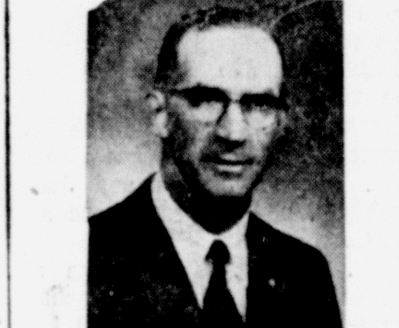

The vote in Cumberland County was Quigley, 21,321; Goodling, 23,904; in York County, Quigley, 45,982; Goodling, 46,967; in Adams County, Quigley, 9,375; Goodling, 11,024.

Quigley ran at the top of the Democratic ticket in Adams County, receiving 264 more votes than Clark, who was second high for the Democratic party and 1,604 more than Kennedy and Johnson. Quigley's congressional record shows difficulty in winning in Presidential years. He is serving the current term, lost to his Republican opponent when President Eisenhower was elected four years ago and won the congressional seat for the first time two years prior to the last Presidential election.

WOMAN WINS VOTE DESPITE ERROR IN 1953

The Adams County court Tuesday evening decided that Ruth M. Miller might vote in Straban Twp. and thus corrected a clerical error that occurred in 1953.

Judge John L. Bowman, Lancaster County, presiding in Adams County court for the election, described the case before him as "one in 100,000 or more."

The problem solved Tuesday began because there were two women named Ruth M. Miller in Straban Twp. in 1951. Both were registered voters.

NAME REMOVED

When a voter fails to cast his ballot for two years he is sent a notice stating that if he does not return the card to the county election board his name will be removed from the voting lists.

One of the Ruth M. Millers had not voted for two years in Straban, the other had. Due notice was sent out and when no reply was received, the county election clerks cut Ruth M. Miller from the rolls—but got the wrong one. Time went on without the error being discovered. Then Tuesday morning Ruth M. Miller went to the polls in Straban Twp. to vote. She was told she could not vote because her name was not on the list. She protested, and a call was made to the county election board. The county election board checked its records and ruled that Ruth M. Miller was a registered voter, but registered in Bendersville, having registered as a resident of Bendersville on September 9.

CLERKS GET BUSY

Straban Twp's Ruth M. Miller then went to the court house Tuesday afternoon to prove there must be some mistake. Her driver's license, etc., all showed her a resident of the Straban Twp. area. Clerks made another check and discovered the Ruth M. Miller visiting them had her card removed from the active file in 1953 for failing to vote.

She protested that not only had she voted, but that she had never received any notice as claimed. More records were searched and then the whole matter moved upstairs to the court room for decision by Judge Bowman.

CALL BOARD IN

The judge ruled that since Ruth (Continued On Page 6)

Massachusetts Senator Is Victorious By Narrow Margin Of Popular Vote

WASHINGTON (AP)—Democrat John F. Kennedy today won the presidency—the youngest man and the first Roman Catholic ever elected to the nation's highest office.

See-sawing Minnesota finally came to rest in the 43-year-old Massachusetts senator's camp at 12:30 p.m. EST and put him over the 269 electoral votes he needed to wrap up mathematically a victory that for many hours had been prospectively his. Kennedy's electoral vote count at that point was 272.

Republican Richard M. Nixon's electoral total at that time was 177.

The popular vote at that time stood: Kennedy 31,498,552 for 50.4 per cent of the counted ballots; Nixon 31,010,340 for 49.6 per cent.

With two big states—California and Illinois—still undecided, it was possible for Kennedy to wind up with a wide electoral vote margin.

ELECTION AT A GLANCE

By THE ASSOCIATED PRESS

Returns at 9:50 a.m. EST from 141,969 of 166,095 voting units:

Kennedy 30,028,876. 50.5 per cent.

Nixon 29,476,827. 49.5 per cent. Kennedy led in 24 states with 334 electoral votes; Nixon in 25 states with 189; needed to win 269.

Senate: Elected, 20 Democrats, 13 Republicans; leading, 1 Democrat; holdovers, 43 Democrats, 23 Republicans; needed for majority 51.

House: Elected, 245 Democrats, 152 Republicans; leading, 20 Democrats, 20 Republicans; needed for majority 219.

Governors: Elected, 14 Democrats, 9 Republicans; 4 undecided; holdovers, 19 Democrats, 4 Republicans.

LOS ANGELES (AP) —

Vice President Richard M. Nixon today formally conceded the election of Sen. John F. Kennedy.

The dramatic concession announcement came at 9:47 a.m. PST, a few minutes after Kennedy had clinched election by winning Minnesota's 11 electoral votes.

Nixon sent this telegram to his Democratic rival:

"I want to repeat through this wire congratulations and best wishes I extended to you on television last night. I know you will have the united support of all Americans as you lead the nation in the cause of peace and freedom in the next four years."

As for Nixon's plans for the future — whether he will retire from public life was not known.

ELECTORAL VOTE

The Associated Press listed these states as definitely in Kennedy's column: Alabama 5, Connecticut 8, South Carolina 8, Massachusetts 16, North Carolina 14, Georgia 12, Maryland 9, New York 45, Rhode Island 4, West Virginia 8, New Jersey 16, Texas 24, Arkansas 8, Delaware 3, Pennsylvania 32, Louisiana 10, Missouri 13, Nevada 3, Hawaii 3 and Michigan 20—a total of 261 electoral votes.

The AP listed these states as definitely in Nixon's column: Vermont 3, Kansas 8, Oklahoma 8, Tennessee 11, Indiana 13, Florida 10, Kentucky 10, Virginia 12, Colorado 6, Utah 4, South Dakota 4, Ohio 25, Idaho 4, Iowa 10, Nebraska 6, Maine 5, New Hampshire 4, Oregon 6, Wisconsin 12, North Dakota 4 and Wyoming 3—a total of 168 votes.

VOTES AT 85

Samuel A. Weiser, retired railroad, former Gettysburg borough councilman and one-time Republican committee man, who has not missed an election since he voted first for William McKinley, cast his ballot Tuesday in Cumberland Twp. Mr. Weiser said he has cast a vote for every Republican presidential nominee since he has been of voting age. He is 85.

PROPERTY IS SOLD

The Maple Grove Mills, Inc., of Maryland, sold a property in Straban Twp. for \$3,000 to the Hunterstown Tree Farm, Inc., also incorporated in Maryland.

WINS LARGER STATES

Kennedy won by scoring where it counted most—in the bigger states.

Kennedy's victory caps a string of political successes for the Boston Irishman, son of a multi-millionaire. He fought the Japanese during World War II as commander of a torpedo boat, returned home and was elected to Congress, then ousted Henry Cabot Lodge, this year's Republican vice presidential nominee, to gain a Senate seat.

By winning the presidency, Kennedy rockets to a position of awesome responsibility—to leadership of the strongest nation in the free world at a time of tensions and struggles with communism.

"MOVING AHEAD"

The senator's campaign theme was that he can get America "moving ahead" as he said it has not been doing in the years of the Eisenhower administration.

He will have with him a Congress where his own party has substantial majorities in both the Senate and House. The Senate division will be 64 Democrats and 36 Republicans. The Republicans picked up two seats in the election—in Delaware and Wyoming.

Kennedy's announcement that he was going to bed came moments after he heard Nixon say on a telecast from Los Angeles that "if the present trend continues" Kennedy would be the next president.

BIG KENNEDY LEAD

Shortly before that, the Associated Press nationwide returns showed Kennedy leading in 23 states with 332 electoral votes, Nixon in 26 states with 191 votes.

It takes 269 electoral college votes to win the presidency.

Salingier came to the press headquarters, about a mile from Kennedy's home, half an hour after Kennedy said he was going to bed. Asked if he thought Kennedy had won the election, Salingier said, "I think we'll just have to wait. It would be inappropriate for me or anyone else to say that. Only the senator can say it."

Kennedy's advisers said they still considered that the senator had won the election. However, the Democratic presidential candidate refused to claim it.

EIGHT STATES IN DOUBT

His strategists said, at 3 o'clock, that they considered eight states still hanging in the balance—with enough electoral votes between them to swing the balance either way.

They listed California, Illinois, Nevada, New Mexico, Minnesota, Washington, Alaska and Hawaii.

The electoral votes of these states total 92.

Nothing quite like this ever happened before in American political history.

Nixon all but conceded. Kennedy's aides felt that he had all but won. Yet, the traditional telegram of congratulations from the loser and the customary victory statement from the winner were not forthcoming when both men announced that they were going to bed.

ACCIDENT TO TOE CAUSING STIR IN COURT

WILLIAMSPORT, Pa. (AP)—Thomas Michalic, a disabled merchant seaman, is a little bit bewildered that an accident involving his left big toe caused such a stir in the United States Supreme Court.

Michalic's toe was smashed by a dropped wrench while he was working aboard a ship docked in Cleveland in January 1955.

After losing most of his leg in subsequent operations he sued Cleveland Tankers, Inc., for \$100,000 damages.

The case wound up in the highest court in the land after two lower courts ruled there was insufficient evidence of negligence to permit the case to go to a jury.

On Monday, the Supreme Court ruled that Michalic should have a jury trial in the federal court at Cleveland, but four of the justices complained that such a minor case should never have reached the higher court.

"I don't care as long as I get some money out of the suit," Michalic said Tuesday. "I'm walking around on a wooden leg and nobody will hire me."

Michalic said he came to Williamsport 2½ years ago to attend a rehabilitation school. He said he hasn't worked since he graduated 18 months ago, living on relief payments.

SEEK HEAT IN COUNTY HOME

The Adams County Commissioners at a meeting this morning said they are urging the contractor to get heat in the new Adams County home as quickly as possible in order to expedite the interior construction.

They said a few difficulties have arisen with the architect and his plans, and they will confer with him in order to settle color schemes and other minor matters.

President E. Donald Scott said that 15 bids have been received for the furnishings of the home and he expects more.

The commissioners will confer with Burgess Wilbur L. Plank on alterations in the register and recorder's office in the courthouse. It was noted that space in the recorder's office is becoming scarce and additional room will soon have to be provided.

The official election count will begin Friday noon, and the absentee vote will be counted at 10 a.m. November 18.

Give Reports On PTA Convention

Mrs. Julius Swope presented a report on the state PTA conference at Pittsburgh at Monday evening's meeting of the Gettysburg Council of Parent-Teacher Association at the Gettysburg High School library.

Mrs. Swope and Mrs. Harold Bucher were the representatives of the local PTA council at the state session. She reported that much interest was shown in plans for a proposed accelerated course, from elementary to college level, which it is hoped will be introduced in the state's schools for children of exceptional ability.

She also reported on National Education Week plans and on reports presented at the conference by the presidents of the various PTA's of the state.

Col. Thomas H. Nixon, president of the PTA council, announced the next meeting will be held January 9 at the local high school library.

Oyler Did Not Make Merger Statement

President Thomas O. Oyler of the Franklin Twp. school board asked The Gettysburg Times today to correct a part of its report of the Monday evening meeting of the Franklin Twp. school board, published Tuesday.

Mr. Oyler denied that he made the statement attributed to him in the news story that "the only reason for the merger was for administrative purposes only, so that Superintendent of Schools Edgar Riegler would have to fill out only nine forms instead of 20."

Mr. Oyler did not make that statement. The quotation should have been attributed to Maynard Stuckey, also a member of the township school board. The Times regrets the error.

The matron of honor was Mrs. Clarence Hummel, godmother, Harrisburg. The bridesmaids were Miss Joan Deonna and Miss Jay Work, Anville, Lebanon Valley College; Miss Judy Hetrick, Dickinson College, and Miss Violet Kanoff, Harrisburg R. 2.

The best man was Clarence Hummel, godfather, Harrisburg. The ushers were Charles Adams, brother of the groom, New York; Peter Kanoff, brother of the bride, Harrisburg; Michael Kanoff, brother of the bride, Harrisburg, and Stephan Kanoff, also a brother of the bride. A reception at the Woodland Hotel, Harrisburg R. 2, was held following the ceremony.

Following the wedding trip to Puerto Rico the couple will reside in Gettysburg.

The bride attended West Chester State College, Dickinson College, and is a graduate of Lebanon Valley College with a B.S. degree in Biology and Chemistry. She is presently employed as a bacteriologist. The groom is a part owner of Hillcrest Memorial Gardens.

All interested citizens are invited to attend and tour the building.

Organist Edwin Meals at Zwingli Church has changed the time of Junior Choir practice from 7:30 to 6:30 o'clock each Wednesday evening.

Twenty-four persons of Trinity Lutheran Church entertained the previous changes of administration.

Brookings assigned some of its own experts to work with the group, including Laurin L. Henry, whose book "Presidential Transitions" is to be published Nov. 28. This is a detailed study of the switches from Presidents Taft to Wilson in 1912-13, Wilson to Harding in 1920-21, Hoover to Roosevelt in 1932-33, and Truman to Eisenhower in 1952-53.

STUDY IS HELPFUL
Cushman says Nixon, since he's been closely associated with the present administration, probably wouldn't have nearly so many problems to face as Kennedy would. But the study has been helpful, Cushman said, in listing problems any new administration must face.

Getting to work on a budget, for example, naming a new Cabinet, selecting some 100 to 200 other key officials. Also there's the business of getting a legislative program ready for Congress in January.

Clifford said he will have a report ready for Kennedy's private and confidential use recommending steps that have to be taken to assure an orderly assumption of presidential powers.

Making Preparations For Transition Next January

WASHINGTON (AP)—Perhaps to the greatest degree in history an effort has been made to ease transition of executive powers from President Eisenhower to the winner of today's ballot contest.

Such changeovers haven't always been so smooth.

Both Vice President Richard M. Nixon and Sen. John F. Kennedy have cooperated.

"We have made some valuable preparations to avoid any delays or difficulties in changing the reins of government," said Democrat Clark Clifford, representing Kennedy Republican Brig. Gen. Robert E. Cushman Jr., representing Nixon, agreed.

The idea of doing something about what has been called the interregnum, a French word meaning the period involving a change of monarchs, originated with the Brookings Institution, a private research group.

STUDY PROBLEMS EARLY

Shortly after the nominating conventions a top-level advisory committee headed by former top diplomat Robert D. Murphy was put to work studying the transitional problems of prior administrations. All committee members have had direct experience with

DOCTOR IS NOT LIABLE IN NEW DRIVER TEST

HARRISBURG (AP)—The Pennsylvania traffic safety commissioner says he could not foresee any circumstance in which a doctor would be held liable for an accident involving a driver he examined under the state's new physical fitness requirement.

The statement Monday by Commissioner O. D. Shipley was in response to an article in a recent issue of the Pennsylvania Medical Journal outlining possible responsibility of physicians in certifying a person physically fit to drive.

The Pennsylvania Medical Journal article dealt with a letter by Joseph L. Cohen, deputy attorney general attached to the State Health Department.

ANSWERS INQUIRY

Cohen wrote in response to an inquiry by the State Medical Society, that a physician may be held liable if he was negligent in reporting a motorist's physical defects which later caused an accident.

Cohen said Monday the letter was his thinking on the matter and did not constitute a formal opinion. He added that he felt it was only a remote possibility that a physician could be held liable in an accident case.

Shipley said he had reports that some physicians declined to examine motorists, particularly those they didn't know, since the article appeared in the medical journal. However, he said, these were isolated cases.

Under the state's new program all applicants for new driver's licenses and eventually all presently licensed drivers will have to be examined.

Kennedy Carries Pennsy State Ticket To Victory

By THE ASSOCIATED PRESS
PHILADELPHIA (AP)—Democrat John F. Kennedy's big city vote drawing power overrode rural and suburban Republican opposition and carried him to victory in Pennsylvania in Tuesday's presidential election.

The Massachusetts senator won only 15 of the state's 67 counties, but they included Philadelphia and Allegheny, the two largest voter areas, and Scranton, Erie and Wilkes-Barre, other urban sectors.

Republican Richard Nixon led in 52 counties but there wasn't enough support to overcome a record shattering plurality for Kennedy in Philadelphia and huge majorities in industrial Allegheny County, Lackawanna County and Luzerne County.

With 8,912 of the state's 9,044 precincts reporting the count was: Nixon 2,342,960; Kennedy 2,479,536.

GETS HUGE MAJORITY

To all intent and purposes Kennedy won the Keystone State's important 32 electoral votes in the Democratic stronghold of Philadelphia. There he polled a better than 312,000 vote majority, exceeding the pre-election estimate of the most optimistic Democrat.

With 1,230 precincts of Allegheny County's 1,239 reported, Kennedy posted in excess of a 109,000 vote lead, while the anthracite area of Lackawanna and Luzerne counties returned some 30,000 vote margins each for the Democratic standardbearer, Erie County, like Lackawanna and Luzerne, economically depressed areas, also went for Kennedy's "new frontiers for the 60s" campaign.

Allegheny County, home of the U. S. Steel Corp., and other industrial giants, and Lackawanna backed President Eisenhower four years ago. So did Luzerne, considered Democratic in a national election. Other counties swinging from Republican to the Democratic column this time were Beaver, Cambria, Elk, Lawrence, Northampton and Schuylkill. None of the five — Fayette, Philadelphia, Greene, Washington and Westmoreland — who backed Adlai Stevenson in 1956, changed this time.

Statewide, the Democrats won all three offices at stake. Judge Gerald Flood of Philadelphia defeated incumbent Blair Gunther for the Superior Court; Thomas Minehart won out over Robert Kent in the contest for state auditor general, and Mrs. Grace Sloan became the second woman to win a state office by defeating Charles Smith for state treasurer.

TOP STEER IN EXPOSITION TO BE SOLD TODAY

HARRISBURG (AP)—A 970-pound steer named "Nick" will be sold at auction Thursday in the highlight of the annual Pennsylvania Livestock Exposition.

The steer — shown by Emma Mae Mast, 15, of Elverson R. 2—won the open championship at the exposition Tuesday. It was the fourth year in a row that a Black Angus took the top honor.

Emma Mae beamed happily when Judge Robert Long selected her entry to receive the championship prize ribbon.

"Nick"—which was judged best in junior competition Monday—won over the open champion, P. S. Consort, a Hereford exhibited by herdsman Gail Long of Pennsylvania State University.

TO BETTER PRICE

"Nick" is expected to bring a better price than the \$2,200 a pound paid for last year's open champion when auction time comes Thursday.

Other winners: Breeding swine—Duroc — sow, reserve, C. W. McConaughy, Mahoning Creek Farms, Smicksburg, Indiana County.

Breeding swine — Yorkshire—boar, champion, McConaughy; reserve, Old Home Manor, Homer City R. 2, Indiana County; sow, champion, Reno Thomas, Beavertown, Snyder County; reserve, McConaughy.

Breeding cattle—Angus — grand champion female and reserve, Pennsylvania State University.

TOWN TO END YEAR WITH GOOD BALANCE

With \$22,349.72 to spend before it reaches its budgeted expenditures for the year and with approximately \$100,000 in the bank and in bonds, Gettysburg apparently is going to end 1960 well off financially.

The report of Borough Treasurer Harry D. Ridinger at Monday evening's meeting of borough council indicated the town will probably spend less than it had allotted for the year. The \$22,349.72 remaining until the town reaches its budget, with only one month to go, compares to about \$15,000 monthly expenditures. Thus the town should be able to end the year with a record of having spent less than it anticipated.

The cash balance recorded as of Monday night was \$77,186.31 and in addition the town had \$25,000 in a government bond earning interest. Knowing that the funds come in from the town's taxes during the summer and fall, the borough tries to have a large enough balance at the end of each year to carry it through until the next summer.

SHIFT \$6,000

The record shows expenditures of \$146,686.59 so far this year, although the total carried is \$221,057.84. The expenditure total is higher than actual outlay because \$74,371.25 spent for the three 90-day treasury notes purchased so far by the town are included as an expenditure. The notes came back with interest.

Only one department has run over its budget. A total of \$54,396 was allotted for the hiring of policemen, purchase of equipment for the officers and fire company, etc., under the heading of protection for persons and property. Up to Monday night \$54,837.38 had been spent. Council shifted \$6,000 of the \$7,500.91 it had remaining in the "miscellaneous" fund over to the "protection to persons and property fund."

The highway account showed expenditures of \$54,776.45 leaving \$5,203.55 until it reaches its budget limit. The highway committee, however, has been unsuccessfully urging the council to give back what it claims is coming to it so its budget will present a better picture. The borough engineer notes that the highway department was charged with the expenditure of a good many thousands of dollars for repairs made to streets that had been dug up by utilities and others, but received no credit for the payments made by the persons who got the permits. The payments on digging permits are to cover the cost of replacing the street after the hole is dug. Last month the town received \$12,558.45 from digging permits, mostly those for the digging in Chambersburg St. during the summer.

\$937 AMUSEMENT TAX

General government so far has cost \$16,306.91, leaving \$293.08 yet to be spent; health and sanitation started the year with a budget of \$1,000 and hasn't spent a cent so far. Miscellaneous expenditures so far have totaled \$1,999. Cost of electricity has been \$9,297.28 leaving a \$2,702.67 balance. The recreation board has spent \$9,569.48 and has \$4,430.88 left in its budget.

In addition, the town spent \$11,980 for a sweeper and \$1,360 for a police car and has \$1,660 remaining in the amount budgeted for those two items. Total expenditures during October were \$14,509.63.

Income during October totaled \$26,297.61 of which \$14,106.26 represented collections by the burgess. Tax Collector J. Herbert Weikert provided \$6,273.06. The amusement tax brought in \$937.44. Parking meters provided \$5,097.38. The remainder came from the trailer tax, justice of the peace fines, etc.

The burgess report showed, in addition to the \$12,558 in digging permits, \$625 in parking fines, \$517.43 from building permits, and other smaller sums from various sources.

The police report showed four accidents, 16 arrests, 260 investigations and 21 escorts.

Jersey Splits For GOP And Kennedy

NEWARK, N.J. (AP)—New Jersey voters split their tickets by the hundreds of thousands Tuesday to give the state's 16 electoral votes to Sen. John F. Kennedy by a narrow margin and re-elect Republican Sen. Clifford P. Case in a landslide.

By edging Vice President Richard M. Nixon, Kennedy became the first Democrat to carry New Jersey since President Franklin D. Roosevelt in 1944.

Returns from 4,283 out of 4,291 election districts today gave: Kennedy—1,367,314

Nixon—1,340,890

Enough voters split their tickets to make Case the second greatest vote-getter in the state's history, next only to President Eisenhower's 1956 sweep.

Case snowed under Thorn Lord, his Democratic opponent, carrying 18 of the state's 21 counties.

MRS. KEBIL IS PRESIDENT OF ALPHA WOMEN

Officers were elected, the Thanksgiving fund raising project was planned and a Christmas party was scheduled at the monthly meeting of the Ladies' Auxiliary of the Alpha Fire Company No. 1 held on Monday evening in the engine house.

Mrs. Beverly Kebil was elected president, and others elected to office include: Vice president, Mrs. Mildred Wallick; secretary, Mrs. Doris Carpenter; assistant secretary, Mrs. Janice Myers; treasurer, Mrs. Betty Kauffman; pianist, Mrs. Anna Rebert; trustee, Mrs. Edna Koonitz, Mrs. Frances Miller, Mrs. Katherine Flickinger, Mrs. Marian Myers and Mrs. Alice Hartlaub. The newly elected officers will assume their duties at the January meeting.

Progress reports on the unit's annual Thanksgiving fund raising project, a public party, were heard. The public party will be held on Friday, November 18, at 8 p.m. in the engine house. All turkey awards will be given. Refreshments will be available throughout the evening.

PLAN CHRISTMAS PARTY

It was decided to hold the Christmas party and covered dish supper for members and their guests on Monday, December 12, at 6:30 p.m., one week earlier than usual due to the opening of hunting season. Each member is asked to take table service for herself and guest and a covered dish item to share. Meat, rolls and ice cream will be furnished by the auxiliary. Each member will take a \$2 gift for exchange and a gift for her

guest. Committees for the affair include: Program, Mrs. Viola Badgers, chairman, Mrs. Janice Myers and Mrs. Mildred Wallick; decorating, Mrs. Jane Olinger, Mrs. Ruth Fuhrman, Mrs. Anna Rebert and Mrs. Marian Myers. It is planned to omit the business session in December. A plastics demonstration will be held at the February session.

Mrs. Beverly Kebil, president, presided for the session and called for the reports of Mrs. Kathryn Hahn, secretary, and Mrs. Betty Kauffman, treasurer. It was announced that the unit had purchased a 55-cup stainless steel percolator. The president distributed the buttermint candy to the members for resale as a fund raising project. Additional candy can be gotten at the home of the president.

At the conclusion of business, refreshments were served to the 30 members in attendance by Mrs. Alice Hartstock, Mrs. Ruth Sneeringer, Mrs. Leila Storm and Mrs. Mary Arnold.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY-FIVE YEARS AGO

James Wesley Bodley, Retired
Expires: James Wesley Bodley, retired superintendent of the Gettysburg National cemetery, civil war veteran, former wagon and carriage builder and life-long advocate of prohibition, died in Gallinger hospital, Washington, D. C., at 4:30 o'clock, Friday afternoon of November 17, he would have observed his ninety-third birthday anniversary.

The aged veteran who lived in Washington with a daughter, Mrs. Morris (Bodley) Morris, for the past three years, was a patient in the hospital for six weeks. He had been an invalid since moving to Washington.

Local Groups Will Observe Special Week: The week of November 9 to 16 has been designated for World Fellowship Observance by the Young Women's Christian Association in more than fifty countries.

The Business and Professional women's club of Gettysburg, under the direction of Miss Maude Whitehead and Miss Mildred Moser, chairmen respectively of the public affairs and service committees, are sponsoring the observance for the local association.

Famed Ocean Flier Is Lost On Speed Hop: Singapore, Straits Settlement—Desperate aerial searches for Sir Charles Kingsford-Smith, missing nearly two days on a speed flight from England to Australia, refused today to abandon hope of rescuing the world famous aviator.

Contrary to earlier beliefs it was learned that the missing ace's plane could remain aloft indefinitely if he had been forced down, with co-pilot Tom Pethybridge, on the Bay of Bengal, where they last were seen fighting through a monsoon.

Quiet Market This Morning: A quiet session greeted the shoppers at the Gettysburg and Farmers Markets this morning. Apples, potatoes and pears seemed to be the main offerings with the demand light. Dressed chickens and baked goods were in abundance and met ready sale.

Official Count Fails To Change Complexion Of Election Results: The official count of the votes cast in Tuesday's general election in Gettysburg and Adams county was completed today. No change in the standings of the county candidates was revealed in the official count.

Results in the Supreme court contest in Adams county were held up pending a recount of the ballots cast in the second ward of court bench.

\$94,230 Spent On Improving Hospital Here: How the Annie M. Warner hospital has been enlarged and the grounds beautified; how its equipment has been added to and modernized and how allied organizations have contributed to its support and maintenance in the last thirteen years was explained by Miss Martha McKay, superintendent, in a report read at a dinner meeting of the hospital board of directors at the Hotel Gettysburg, Friday evening.

War Officers Are Reunited In Local Camp: Major General Albert J. Bowley, commandant of the Third corps area, with headquarters in Baltimore, paid a surprise visit to Gettysburg's two C.C.C. camps at 5 o'clock, Friday evening. After making a cursory inspection of both camps, Major General Bowley and his aide, Captain Bolter, returned to Baltimore.

Dance Tonight Will Feature Southern Band: The first of a series of Saturday night dancing parties will be held in the Hotel Gettysburg dining room this evening beginning at 8:30 o'clock and continuing until midnight.

Today's Talk

UNDERTOW
Undertow is the lower current of water in the ocean that travels in the opposite direction to the surface water that leaps in waves upon the shore.

Many people have lost their lives, while vacationing, by being caught by this undertow and carried out beyond their strength or their ability to keep above it.

I once asked an experienced swimmer how to avoid the undertow. He told me that one should, as quickly as possible, get above it and float on the upper waters.

I have thought a great deal about that advice.

There is an undertow to the business of life. People are caught in it and carried out and under—made powerless to return safely to where they once were.

Inactivity is a powerful undertow. A man who gets in the habit of not working all the while or of just doing odd jobs soon finds that the undertow has made him of little value anywhere.

The great musician must give most of his days to practice. We must all keep reading, observing, thinking, or one kind of an undertow or another is going to catch us unawares.

So to avoid the undertow, let us keep busy and keep on top! Let us not be too confident of our ability to handle things we know little or nothing about. Remember that very strong swimmers have not been able to cope with a powerful undertow.

Do the thing you know—and keep knowing it better all the time. But stay away from the undertows—especially when you know that they exist.

Tomorrow Mr. Adams will talk on the subject: "I Want" Protected, 1960, by The George Matthews Adams Service

Just Folks
THE LEGISLATIVE TICKET
I'm not the man to kick about
My public duties or protest;
I'm not too busy to get out
And vote for whom I think is best.
I always have the time to spare
To sift the good ones from the bad,
I've always tried to do my share
And give the state the best I had.

But yesterday I must confess,
I made a sad miscalculation;
I gave myself — 'twas just a guess —
Ten minutes for examination:
Ten minutes would suffice, I thought,
Each man to choose, the best to pick it;
But that was ere the booth I sought
And saw the legislative ticket.

CONGRESS IS UNDER DEMS

WASHINGTON (AP) — The Democrats clinched control of Congress early Wednesday as mounting congressional returns gave them majorities in both the House and Senate.

Given a bulge of 43 holdover seats in the Senate, the Democrats quickly sealed their victory by picking up 18 of the 34 seats up for election with 5 still undecided. Democrats led in three of those. They had a 66-34 edge in the last Senate.

In the House, the Republicans made slight inroads into the big Democratic majority of the last session, but were unable to mount a serious threat to take over the leadership.

The Democrats won the 219th seat needed to control the 437-member house at 3 a.m. and seemed certain to add to the total as the vote count progressed. At that point the Republicans had 107 seats.

Upsets were few in the Senate races. Of the incumbents seeking re-election only Sen. J. Allen Frear (D-De) was toppled, losing out to Gov. Caleb Boggs, a Republican.

Republicans captured 14 House seats held by Democrats but lost 4 to Democratic challenges for a net GOP gain of 10. In the last session the Democratic margin was 283-154. In the races still undecided, Democrats led in 56 and Republicans in 67.

Vote Tax Raise To Help Library
STATE COLLEGE, Pa. (AP)—State College residents voted Tuesday to increase their taxes to support the public library.

On the question of a one-half mill tax, the vote was: Yes, 3,300; no, 1,463. It is estimated to raise \$11,000 annually.

The county real estate recently has been reassessed and the total millage for next year has not yet been computed.

In Millheim Borough, the citizens turned down a proposed community swimming pool, 194-121.

Littlestown TWO MEMBERS GIVE TALKS TO ROTARY CLUB

Classification talks were given by George W. Strevg, local plumber, and Richard W. Staley, local restaurant owner, at the weekly dinner meeting of the Littlestown Rotary Club Tuesday evening at Schottie's Hotel. Charles E. Ritter, chairman of the classification and membership committee, was in charge of the program.

Rotarian Ritter, representing the Black Walnut District of the York-Adams Area Boy Scout Council, presented a plaque to Rotarian Clyde W. Crouse for the services of his excavating equipment at the Camp Tuckahoe lake project.

Similar plaques will be presented to Warren C. Harner and Albert J. Bair.

It was announced that the foreign born citizens of the community will be the guests of the Rotarians next Tuesday at 6:15 p.m. at Schottie's. The program will be in charge of the international service committee composed of H. Ward A. Daum, chairman, Paul E. King, Luther W. Ritter, Carroll E. Arter, L. Robert Snyder, Theron W. Spangler and James L. Rhoades.

COSMETICS SESSION
A cosmetics demonstration was presented by Mrs. Faye Daum at the meeting of Girl Scout Troop 51 on Tuesday after school at the engine house. Mrs. Daum demonstrated the correct use of cosmetics for teen-agers by using as her models Dianne Byers and Karen Krichen. She also gave samples of cosmetics to each girl.

The troop leaders checked the good grooming scrapbooks. The requirements were checked for the citizens here and abroad badge, for which work will begin at the meeting next Tuesday.

The Cub Scouts of Pack 84, assisted by their parents, will continue the light bulb sale this evening. Half of the community was covered in the door-to-door sales on Monday and it is planned to cover the remaining half of town tonight, leaving at 7 o'clock from the home of Cubmaster Alvah H. Stonesifer Jr., S. Queen St. Ext. D. Ocker-Snyder Post No. 321.

American Legion will hold its first November meeting on Thursday at 8 p.m. at the post home, E. King St. Progress reports on the Legion's Thanksgiving fund raising projects will be given.

MEETINGS ANNOUNCED
Mrs. Mary Keefer, Mrs. Charmae Wisotzky and Mrs. Helen Garner will serve as hostess at the monthly meeting of the Ladies' Auxiliary of Mason and Dixon Memorial Post No. 6954, Veterans

Brownie Troop 71 met Monday in St. James Lutheran Church with the meeting based on the 100th birthday of Juliette Low. Mrs. Hardy Nichols, Adams County Girl Scout council, showed a film strip entitled "A Trip to the Birthplace," which showed the home of Juliette Gordon Low, in Savannah, Ga., who founded the Girl Scouts. She also showed slides of Camp Happy Valley, near Fairfield, and explained when and how the camp site was purchased and how it has been improved through the years. Leaders present were Mrs. Leo Kuhn Jr., Mrs. Orville Orner and Mrs. Marlin Bergdale.

Senior Girl Scout Troop 42 met Tuesday evening with Demaree Deardoff, the president, presiding. The girls will go camping November 19 and 20, leaving from Gettysburg High School Saturday morning, November 19, at 9 a.m. and returning at 3 p.m. the next day.

There will be a children's party December 17 at the West St. branch of the Gettysburg National Bank. Girls will make cotton men and women as favors for the children. Leaders in charge Tuesday were Mrs. Ralph Bream and Mrs. Robert Moose.

RELIGION IS BIG QUESTION IN ELECTION

WASHINGTON (AP) — States where Roman Catholics abound and states where Catholics are a rarity gave their electoral votes to Sen. John F. Kennedy.

Kennedy was the first Roman Catholic to seek the White House since Alfred E. Smith made his bid for the presidency in 1928 against Herbert Hoover.

Smith went down to a crashing defeat. He carried only eight states, to Hoover's 40. He got only 87 electoral votes to Hoover's 444, and received only 15 million popular votes to 21 million for Hoover.

WON TWO IN NORTH
Outside the South—and until then, the South had been solid for Democrats since Reconstruction days—the popular New York governor won only Massachusetts and Rhode Island, both states with heavy Catholic populations. He lost such Southern states as Florida, North Carolina, Tennessee and Virginia.

Both in 1928 and 1960, the religious issue stirred deep feelings in the United States, which now has a percentage of 21.6 per cent baptized Catholics.

Twenty-eight years ago, as now, there were high-principled, assuredly nonbigoted men, who opposed Vatican policy and wondered aloud what effect it would have on a Catholic president.

TACTICS ARE DIFFERENT
Then, as now, there were tactics of a different sort. In 1928, for example, pictures of a new tunnel under construction in New York were circulated with the intimation that it was a tunnel to Rome for the Pope to come to America if Smith won. In 1960 booklets were circulated linking Rome to the assassination of Abraham Lincoln.

Nobody will ever know how many Protestants voted against Kennedy because of his religion, or how many Catholics voted for him because of his faith. Both Kennedy and Vice President Richard M. Nixon said they wanted no votes for religious reasons.

NIXON POLLED MOST OF VOTES IN FARM BELT

WASHINGTON (AP)—Much of the Midwestern farm belt wound up on the losing side in the apparent presidential victory of Sen. John F. Kennedy.

Vice President Richard M. Nixon got a large portion of his electoral votes in traditionally Republican agricultural states.

IOWA COACH SAYS FOOTBALL A GOOD OUTLET

By FOREST EVASHEVSKI
Iowa Football Coach
(Written for the Associated Press)

Don't believe some of the critics who are long on lungs and short on knowledge: College football in 1960 does not need to apologize for any aspect of it.

It is well-regulated and administered, a healthy rallying point for students, a tie between the alumni and their alma mater and a Saturday afternoon outlet for the public.

Because a young man is a good football player he can earn a scholarship which might not otherwise be available to him. Football, therefore, provides his means of securing a college education.

Eligibility regulations are a motivating factor in causing the player to improve his grade-point average. If he wants to play, of course, he must achieve the necessary standards and so he must exert himself mentally more than the average student.

APPROACH IS THOROUGH

The approach to the game is more thorough and scientific than ever before. Our coaching staffs are meticulous in preparation of the players. The game has become so complex that a player must keep mentally alert if he is to master the various situations.

Because of the impact of television and radio, more people than ever before are college football connoisseurs. Seeing it or listening to it, they become attracted and the next move is to be present at the game itself.

Equipment companies are constantly making improvement in their products. This serves to reduce injuries.

Sometimes it seems strange that it has become fashionable to criticize football. Unfortunately, most of these critics do not bother to recognize the true facts. There are many cases where the critic actually has an axe to grind, makes no pretense of being fair and is against football on general principles.

TOUCH OF FOOT IS BLAMED FOR PLANE CRASH

WASHINGTON (AP)—The accidental touching of a switch by a crew member's foot may have induced a navigational error that caused the crash of an airliner last December, the Civil Aeronautics Board said Tuesday.

All but one of the 25 persons aboard were killed last Dec. 1 when an Allegheny Airlines plane rammed into Bald Eagle Mountain near Williamsport, Pa.

The CAB said the accident was caused by the failure of the pilot, Capt. Thomas R. Goldsmith, 31, to abandon his approach to the Williamsport Airport at the proper time. The Martin 202 plane was on final approach to the airport when it made a left turn and disappeared into clouds and snow showers before crashing into the mountain.

Pimlico Meet To Open Next Monday

BALTIMORE — Racing at Pimlico is the newest indoor sport.

Only the horses will be outdoors when the nation's second oldest race track opens its new plant next Monday for a 28-day meeting. The occasion will mark the unveiling of an ultra-modern clubhouse, built this summer at a cost of over \$1,500,000 to go with a five-story grandstand completed last fall at a cost of \$2,550,000.

FAMILY OF 8 ROOTING FOR DAD GRIDDER

ARCATA, Calif. (AP)—Manuel (Big Daddy) Simas, stand-out 264-pound tackle for the undefeated and untied Humboldt State College Lumberjacks, counts on a personal rooting section — his wife and seven children.

A pizza cook, mill worker, bartender and one-time band leader, Big Daddy attends college at the age of 29 because he wants to become a teacher.

"A good education is the only security," declares Manuel, who daily must study, work and find time for football since Humboldt has no athletic scholarships. Currently he puts in 48-hour working week as a bartender.

It isn't easy to keep playing football. A few weeks ago the Lumberjacks were scheduled to play a Friday night game against the Cal Aggies at Davis.

SLEEPS THREE HOURS

Simas worked the night shift Thursday, slept three hours and drove his own car to catch up with the team at its luncheon stop. He played the game, and then drove back home to be ready for work at 10 a.m. after a round trip of about 600 miles.

He and his 105-pound wife, Jean, provide a comfortable home for their brood. There are David, Manuel, 11; Diana Marie, 10; Dennis Michael, 9; Donald Mark, 7; Douglas Matthew, 6; Daniel Marvin, 5, and Debra Marie, 3.

Simas has proved himself versatile. At school he majors in speech and foreign languages and for a living the 5-foot-11 gridder has been most everything from a cook to a bandleader, playing the saxophone and clarinet.

ing of the fluxgate compass, which would have resulted in an erroneous heading indication, is considered to be a likely contributing factor," the CAB said.

A fluxgate compass, located in the wingtip of an airliner, provides the pilot when a normally accurate indication of his direction of flight. When the compass gets out of level condition, the pilot "cages" it to bring it back to level.

Flight tests showed, the cab report said, that the caging switch could be actuated inadvertently by the foot of a person occupying the jump seat.

The board said that as a result of its investigation of the Allegheny Airlines crash it made this recommendation to the Federal Aviation Agency:

UNPROTECTED SWITCHES

Planes with unprotected caging switches that might accidentally be actuated should be equipped with suitable covering devices.

The CAB said that Allegheny,

10 BULLETTES SELECTED AS HOCKEY STARS

Ten members of the Gettysburg College girls' field hockey team were named to the first and second Susquehanna teams as a result of a tournament at Wilson College recently.

Six outstanding performers were listed on the first team. They include Sandy Dempcy, Carol Lunn, Carole Johnson, Betsy Taylor, Ann Shockey and Lynn Brown. Lynn Brown is considered one of the top flight goalies in this area.

Named to the second team were Virginia Irvine, Miriam Bowers, Mary Hotchkiss and Carol Zimmerman. Irene Brodich received honorable mention.

TOURNEY AT WEBSTER

The girls named to the first and second teams will travel to Webster, N. Y., for tournament play on Saturday and Sunday. The girls selected from this tournament will be placed on the Mid-East team which will compete for national honors in Berkeley, Calif., over the Christmas holidays.

Teams sending representatives to Webster next weekend will include, besides the two from Susquehanna, two from Central Pennsylvania, two from Pittsburgh and two from Fingers Lake, N. Y.

Miss Grace Kenney and Miss Nancy Mitchell of the college physical education department will accompany the Gettysburg girls to Webster.

immediately after learning of the possible trouble, installed guard devices on the four planes in its fleet that had similar switch installations.

It was the second time this year that the board has noted the possibility of fluxgate compass malfunction as an accident cause.

The previous finding was in connection with the crash of a Trans World Airlines Martin 404 into a mountain near Albuquerque, Feb. 19, 1955. Modifying two earlier reports, the CAB said last June 15 that the accident could not have been intentional on the part of the pilot but may have been due to the compass malfunction.

NINE HORSES IN \$100,000 RACE

LAUREL, Md. (AP)—It never rains but it pours around Laurel Park, and the brass was chewing fingernails and taking double aspirins today as the hour for the \$100,000 Washington D.C. International neared.

The Brookmeade Stables' Sword Dancer, 1959 horse of the year, was withdrawn — and retired — Tuesday due to an ankle injury.

Then the stewards at Aqueduct disqualified a horse ridden by Manuel Ycaza, the Panamanian pepperpot, Ycaza is the jockey who won the 1959 International with the Cain Hoy Stable's Bald Eagle. He is scheduled to pilot the horse again Friday in the 1½-mile grass-course classic.

A ruling on his status was scheduled at Aqueduct today, and any suspension effective before Friday would rule him out here.

The nine horses from five foreign countries who complete the field presently are hale and hearty along with their riders.

Bald Eagle is the early 2-1 favorite for the ninth running of the global gallop. Sword Dancer had been second choice at 3-1, with France's Arc de Triomphe winner, Puissant Chef, next at 6-1.

MAC LEADERS HOLD GROUND ON GRIDIRON

Individual statistical leaders in the Middle Atlantic Conference's university division held their ground this week as the 1960 football season entered its final quarter.

The only changes were effected by a pair of Temple players, Don Council and Bill Grubb, who led their team's attack in a losing effort against Delaware last weekend. Council jumped from seventh in rushing to second with a three-game total of 244 yards, while Grubb climbed from seventh to third in total offense with 293 yards to his credit.

Out in front in rushing—and likely to remain so—is Lafayette's Charlie Bartos who has accumulated 524 yards at four yards a clip.

An equally commanding lead is held by Bucknell ace Paul Terhes who heads the division passers with 48 completions for 557 yards and four touchdowns. With a total offense mark of 630 yards, Terhes leads Bartos by the margin of 97 yards.

RICHTER STILL 2ND

Bucknell's Dick Tyrrell continues to lead in pass receiving with 16 catches for 165 yards and one TD. He is being pressed for the pass-catching title by Gettysburg's Harry Richter, with 13 catches, and fellow Bison Ash Dika with 12.

The punting title was in all likelihood decided last weekend when division leader Pape Lukk of Delaware was sidelined with a leg injury. Lukk, who will be out of action for the remainder of the campaign, has averaged 39.1 yards a punt, nearly three yards more than second-ranked Sam Mudie of Rutgers.

The scoring lead is within the grasp of a number of MAC players, any of whom could move out in front in the remaining contests. Lehigh's Boyd Taylor holds a precarious lead with 24 points, Bucknell's Mickey Melberger is second with 18, and Lafayette's Walt Deolsch is third with 16. A total of seven players are tied for sixth place with 12 points each.

Statistics on Gettysburg College players remain the same as last week inasmuch as the Bullett-Hofstra game Saturday was a non-league affair.

SCIENTIST IN CANADA TIMES SNAIL'S PACE

By THE ASSOCIATED PRESS

A political comment, clocking a snail's pace, and discovery of the darkest star figure in the week's science items:

FOOLS AND KNAVES

Voters whose man lost are likely to agree with a psychiatrist who declares politics is "the process by which the irrational basis of society is brought into the open."

Politicians and voters both respond chiefly to "unconscious and irrational" motives, says Dr. Edward J. Sheridan, University of Michigan. Partisan votes become a way of showing hostility against the opposing side, and each party seems to feel "it alone has a monopoly on wisdom and virtue, and that its opponents are all fools or knaves, or both."

SNAIL'S PACE

Clocking snails, a scientist found the slowest one moved only ½ inch per minute. It would thus take the critter 88 days and nights to cover one mile.

A slug, or shell-less snail, was the real speedster among 16 North American snails and slugs clocked by John Oughton at the Royal Ontario Museum of Zoology, Canada. It covered 20 inches a minute. The average speed for all 16 was 6½ inches per minute.

DARKEST STAR

What may be the darkest star ever observed—two millionths as bright as the sun—is reported by Dr. W. J. Luyten of the University of Minnesota.

He discovered it while examining a set of photographic plates made at Mount Palomar. One plate, sensitive to red light, shows a star of about 20½ visual magnitude, below the brightness visible to the unaided eye. The plate sensitive to blue light shows no star at all in that same region.

PASSING THE WORD

Listening is a prime means of getting information, but a study finds white collar workers, including executives, are only 25 per cent efficient in listening.

When company directors sent down messages, vice presidents were found to understand 67 per cent of what was said, general supervisors understood 56 per cent, foremen 30 per cent, and workers less than 20 per cent of what was really said.

WEEKEND MOVIE

"Streets of Sin" and "Life Begins" will be the double feature at the Cross Keys Drive-In Theater Friday, Saturday and Sunday, an attraction which more than 42,000 people in Chicago saw in one week, while in the same period 60,000 saw it in New Orleans.

Only Two Elevens Near Record Mark

By THE ASSOCIATED PRESS

With the 1960 major college football season heading into the homestretch, only two teams are even close to the total offense figure that has been standard for champions for nearly 20 years.

Latest figures from the NCAA Service Bureau show that for seven games New Mexico State has averaged 394.6 yards by running and passing. Memphis State 384.5 for eight games.

For the past 19 years, every total offense champion has averaged at least 400 yards a game.

In the same way, only New Mexico State, with 38.9 points a game, and Memphis State, with 31.1, are scoring above the 30-point average attained by every major college scoring champion since 1939.

MILT PLUM IS BEST PASSER

NEW YORK (AP) — Milt Plum of the Cleveland Browns threw his 99th pass of the season without an interception last Sunday and held his place as No. 1 passer in the National Football League. But teammate Jimmy Brown bounced back off the New York Giants defensive platoon too often and dropped from first to third in rushing.

Plum, the Browns quarterback held the top spot for the third straight week. He has completed 68 out of 99 attempts, and has gained a total of 1,075 yards and passed for eight touchdowns.

When Cleveland was limited to six yards net on the ground by the Giants, Brown was passed by Jim Taylor of Green Bay and John Crow of St. Louis. Taylor has gained 540 yards on 128 attempts, Crow 524 yards and Brown 521. Brown has the best average of the three, 5.5 yards a carry.

KILMER AGAIN SELECTED AS BACK OF WEEK

By THE ASSOCIATED PRESS

For the second time this season, Bill Kilmer, who plays tailback in UCLA's single-wing formation, has been named the Associated Press back of the week for doing everything a tailback is supposed to do.

Kilmer, who runs, passes, kicks and confuses the opposition by faking one of these maneuvers and performing another, was first named for his feats against Purdue in the second game of the season. He was named again today for an even more impressive performance in last Saturday's 28-0 victory over California.

Kilmer barely beat Ed Dyeas, Auburn's record-smashing place kicker, on the basis of recommendations of sports writers and broadcasters.

PLAYED 3 QUARTERS

Here's what Kilmer did, playing only three quarters of the game:

Set up all four UCLA touchdowns, scoring two himself on short line smashes.

Passed and ran for 225 yards for a six-game average of 191 yards a game. Gained 109 yards on 16 running attempts and completed 8 of 11 passes for 116 yards.

Got off a quick kick of 73 yards from scrimmage and completed a couple of long passes on fake kick maneuvers.

Dyeas broke one NCAA record and tied another when he kicked two field goals against Mississippi State and barely missed another when his 49-yard effort bounced off the crossbar. His nine field goals for the season established a record, and his career total of 13 tied the NCAA mark.

KASAVUBU MAY BE SEATED IN U. N. ASSEMBLY

By TOM HOGE
UNITED NATIONS, N.Y. (AP)—The U.N. Credentials Committee today was expected to recommend that Joseph Kasavubu be seated in the General Assembly as his chaotic young nation's representative.

Kasavubu still faced a battle in the General Assembly, which must approve the committee's action. The nine-nation Soviet bloc and at least eight Asian and African nations were spearheading a move to give U.N. recognition to Kasavubu's chief rival, deposed Premier Patrice Lumumba.

The Credentials Committee had not been scheduled to meet until December on the Congo seating question. But it suddenly decided to act after Kasavubu, in a speech to the 99-nation assembly Tuesday appealed for the immediate seating of a delegation headed by himself.

3 SUPPORT LUMUMBA

The Credentials Committee is made up of Costa Rica, Haiti, Morocco, New Zealand, the Philippines, Spain, Soviet Union, the United Arab Republic and the United States. Only three of the nine nations—Russia, the U.A.R. and Morocco—are known supporters of Lumumba.

Kasavubu, in a 15-minute speech opening assembly debate on the Congo, said only the Congo's chief of state has the right to nominate the nation's representatives to the assembly.

To loud applause from most members except the Soviet bloc and the Asian-African group supporting Lumumba, Kasavubu said his delegation would include representatives of all Congolese factions, including the rebellious provinces of Katanga and Kasai.

Kasavubu said also that Foreign Minister Justin Bomboko, a leader of the technicians' government installed by army chief Col. Joseph Mobutu, would be the second-ranking member of his delegation. Bomboko accompanied Kasavubu here from Leopoldville. He was also foreign minister under Lumumba although the two never got along.

WILLIAM GREEN IS MAN BEHIND PHILLY DRIVE

By RUSSELL LANDSTROM
PHILADELPHIA (AP)—A hitch in the Army and 24 years as a Democratic ward leader went a long way toward making Rep. William J. Green what he is today — probably Pennsylvania's most powerful politician.

The Army stiffened his sense of discipline. It forged stronger bonds between him and other men. It brought him close to the problems of soldiers and their families.

He was still in uniform when he was elected to Congress from Philadelphia's Fifth District for the first time. One of the first World War II veterans sent to the House, Green promptly became a leading spokesman for servicemen. Other congressmen called him the GI watchdog. His maiden speech was a demand that veterans be given voice in their own destiny "to see that the war has not been fought in vain."

CHEERING LETTERS

Letters poured in, most of them cheering him on. One came from a major general, who wrote: "Dear Private Green: 'I'm sure that your period in the service with the quartermaster corps will prove invaluable to you in your new post.'"

"He was right," said Green, forgiving the general for mistakenly addressing him as a buck private rather than a PFC. "No doubt of it, the Army did me some good."

KEY FIGURE

The ward work was toughening, too, developing Green's gift for organizing and persuading. It schooled him further in the art of

Kennedy Snared Hawaii By 102 Votes

HONOLULU (AP) — The Hawaii lieutenant governor's office announced early today that a re-check of Hawaii's 240 precincts gave this state's 3 electoral votes to Sen. John F. Kennedy by a margin of 102 ballots.

The total announced were: Vice President Richard M. Nixon, 92-081; Kennedy 92-193.

Previous unofficial totals had given the state to Nixon by 141 votes.

The switch, giving it to Kennedy, is still not final, although listed as official.

It was announced that, in view of the closeness of the totals, a recount would be made some time in the next several days.

PAROLED TO NAVY

William Boyd Adams, Carlisle, who entered a plea of guilty to charges of burglary and larceny in July and since then has served a three-month sentence on similar charges in Adams County, was sentenced Tuesday in Carlisle to serve from six to 12 months, but paroled immediately by Judge Robert Lee Jacobs to answer AWOL charges filed by the U. S. Navy.

dealing with human nature.

As his party's chairman in a city which for nearly 70 years was ruled by Republicans, Green has been a key figure in the new political scheme of things.

Philadelphia has had a Democratic mayor for nine years, the state a Democratic governor for six, and one Democratic senator since 1956.

Each time Green has been in the driver's seat, marshaling the large Democratic majorities, making Philadelphia's vote decisive.

And so it was on Tuesday, as Philadelphia gave the Democratic presidential candidate, Sen. John F. Kennedy, a majority of 326,000.

FIVE KILLED IN RESIN PLANT EXPLOSION

WILMINGTON, Del. (AP) — Fire officials today began a probe into the cause of an explosion in a resin-products plant which killed five persons and injured seven.

Shortly after the explosion yesterday at the Synvar Corp. Tuesday, four dead employees were pulled from the debris. They were identified as Alfred Nelson, 34; George Williams, 24; Emory W. Rose, 26, and James Gist, 35, all of Wilmington.

Tuesday night the body of an unidentified man was found in the rubble.

3 RESIDENTS INJURED

The explosion set fire to the two-story brick building. Four of the injured were employees who suffered serious burns. Three residents of the area suffered shock or were hit by flying objects.

Injured were Edward Sadowski, 42, of nearby Elsmere, and William Craig, 38, John Cain, 24, and James Nelson, Wilmington. They were working in the plant at the time. Beulah Jones, 65, and Louise Williams, 55, nearby residents, suffered shock and Dwayne Boyer, 6, was hit by a flying object. His injury was not serious, a hospital spokesman said.

BIG DAMAGE

Fire Chief Maurice Clark said he thinks damage will amount to about \$180,000. The company has not yet made a damage estimate.

When the blast occurred, officials in two nearby polling places thought people bent on election day violence were throwing bombs.

One of the polling places had to be moved, because a plate glass window in the building was shattered.

36 Governors On Good Will Trip

WASHINGTON (AP) — Governors of 33 states and 3 U.S. territories plan to leave New York Saturday on a goodwill trip to Argentina and Brazil.

The Argentine Embassy said today the chief executives and their wives expect to return Nov. 28 after meeting with the presidents and other government leaders of the two host nations.

The governors also plan to talk with business men, farmers, industrialists and labor leaders.

The embassy said governors of the following states and territories will make the trip: Arizona, California, Colorado, Delaware, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Maine, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, North Carolina, North Dakota, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Utah, Vermont, Washington, West Virginia, Wyoming, Guam, Samoa and the Virgin Islands.

SEN. TAYLOR IS RE-ELECTED

HARRISBURG (AP) — M. Harvey Taylor, 84, victorious again in a State Senate race in strongly Republican Dauphin County, today faced the prospect of losing the upper chamber's top post of president pro tempore, which he has held 15 years.

For, while the white-thatched Taylor was a shoo-in in Dauphin, Democrats appeared to have won organizational control of the Senate for the first time since 1936 on the basis of unofficial returns in Tuesday's balloting.

With Democrats in organizational control, that would mean Taylor's bow-out from the Senate's most powerful position—one that carries with its patronage powers and the authority to appoint all committees.

TV ELECTION COVERAGE IS VERY DRAMATIC

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—As the big Kennedy tide rolled in Tuesday night, it was pretty obvious that the most exciting and dramatic spectator sport on television is watching election returns.

All three networks did competent jobs of keeping the public abreast of the totals, but NBC and CBS turned in particularly brilliant performances.

It was smooth, well-organized and stimulating reporting all around, even though the trends showed early in the evening that Massachusetts senator was steadily increasing his lead.

NAMED EARLY

All three networks planned to make the stars of their coverage electronic computers which were supposed to "project" the winner early in the evening. The magic machines soon named Kennedy but also confused the viewer with frequent reports of changing "odds" on the outcome. They ranged from 6 to 1 at 8:30 (EST) to 49 to 1 shortly after 10. NBC's brain got up to 333 to 1 briefly before shooting down to 6 to 1 again. Leonard Hall, Nixon's campaign manager, remarked during the evening that he'd like to junk the three machines, but perhaps they added to the general sense of excitement.

REWARDING TV NIGHT

All networks had huge well-integrated teams covering the returns and all worked in the same general fashion, maintaining a steady check on the mounting national totals but also keeping tabs on state and local contests.

It was a long but wonderfully rewarding night of television which extended into the morning.

SEND SLAYER TO MARYLAND

NEW BLOOMFIELD, Pa. (AP) — Perry County authorities report that Donald Reifer, 24, accused of wounding a Pennsylvania state trooper, has been turned over to Maryland authorities to face a homicide charge there.

Sheriff Lester W. Fuller said the young sailor was turned over to Maryland authorities Tuesday. He said Reifer was charged with homicide in Maryland in connection with the death of his wife, Geraldine, who was killed following an argument in the couple's Port Deposit, Md., apartment Oct. 28.

State trooper Stanley Jezewski, 22, Nanticoke, reported he was shot after stopping Reifer for speeding near the state line later that day. Other troopers arrested Reifer near Williamsport.

Fuller said Pennsylvania will hold a detainer on Reifer pending the outcome of prosecution of the homicide charges.

Escapes Injury In Plane Crash

LOCK HAVEN, Pa. (AP)—Max Conrad, 57, holder of many light plane distance and endurance records, escaped injury Tuesday night when his plane crashed shortly after taking off from the airport here.

The Winona, Minn., native said his engine quit at about 300 feet. He attempted to return to the airport but crashed into some weeds near the air strip.

Conrad, who was going to New York to start a cross-country flight to publicize Christmas seals, walked away from the plane.

hours. Certainly there were some dull and barren spots—none of the "interpretation" and analyzing matched the news performances—and (again on CBS and NBC) the commercials seemed to turn up very often. But it was a night television can brag about for a long, long time.

Catholics Defy Bishops In Puerto Rico And Elect Marin

By RICHARD VALERIANI

SAN JUAN, Puerto Rico (AP)—Puerto Rico's predominately Roman Catholic voters rejected the instructions of their bishops and re-elected Gov. Luis Munoz Marin by a landslide in final unofficial returns today.

Munoz Marin, himself a Catholic, captured 456,317 votes to 325,737 for his three opponents. He won his fourth term as head of this U.S. commonwealth island.

SHARP REBUFF

The results of the record poll were a sharp rebuff to the island's three Roman Catholic bishops, who in pastoral letters had warned that a vote for Munoz Marin's Popular Democrats would be a sin because the party did not oppose birth control.

By re-electing Munoz Marin, the voters also approved Puerto Rico's continuance as a commonwealth under the American flag.

Luis Ferre, the Republican candidate, who campaigned for Puerto Rican statehood, was outdistanced almost 2-1. Ferre received 250,638 votes.

OTHERS FAR BEHIND

Salvador Perea, the Christian Action party candidate backed by the Catholic hierarchy, and Julio Garcia Diaz of the Independence party ran far behind.

Perea received 51,072 votes.

Diaz, who campaigned for independence from the United States, got 24,047.

The legislature will continue to be dominated by the Popular Democrats, who have no official link with the mainland Democratic party. The Republicans are affiliated with the Republican party in the United States.

Puerto Rico, as a commonwealth, does not vote in the U.S. presidential elections. It also pays no U.S. taxes.

Better than 83 per cent of the 337,531 registered voters turned out to choose the governor and legislature. The island is 90 per cent Catholic.

KILLED BY AUTO

ALTOONA, Pa. (AP) — An auto shot forward in a repair shop Tuesday and fatally injured William Wolfe, 63, the owner of the shop. He was pinned against a work bench.

Police said Lester L. Barley, 63, also of Altoona, was driving his car into the shop when his foot slipped on the gas pedal, causing the auto to shoot forward.

ERIE, Pa. (AP) — Samuel F. Cancilla, 69, a former governor of West Virginia, was fatally injured Tuesday when his auto left Catholic Cemetery Road in Northeast Twp. and crashed into a tree.

TWO MEN DIE IN COLLISION

BORDENTOWN, N. J. (AP)—An auto and a trailer-truck collided today on Route 130, killing two men in the car.

Killed were Homer A. Williams, 32, driver of the car, and John P. J. Magee, 48.

Clyde M. Turner, 29, of Kanapolis, N. C., the driver of the truck, escaped injury.

State police said the truck struck Williams' car as the vehicle was crossing the divided highway westbound.

The car was pushed 100 feet down the highway by the impact. Turner told state police the auto had come onto the highway against a red light.

Williams and Magee were believed to have been heading home after watching election returns.

The elderly Republican lawmaker has been president pro tempore since 1945.

He was not immediately available for comment on the apparent GOP defeat in the State Senate race.

He rode to victory over Lee F. Swope, a lawyer, in the 15th Senatorial District race. Returns from all of Dauphin County's 145 precincts gave Taylor 54,918 votes to Swope's 37,973. Both men are lifelong Harrisburg residents.

Republicans Gain 2 Seats In Pennsy Congress Race

PHILADELPHIA (AP)—Republicans gained two seats in Pennsylvania's congressional delegation despite Sen. John F. Kennedy's victory in the presidential race in the Keystone State.

Turned out of office were Reps. Stanley A. Prokop, 10th District, and James M. Quigley, 19th District, two of the Democrats' younger men.

Prokop, who served only one term, was defeated by William W. Scranton, scion of the family that gave its name to the city of Scranton. The tally, with only one precinct remaining to be heard from, was Scranton 93,978 and Prokop 77,169.

Scranton gave up his post as aide to Secretary of State Christian Herter earlier this year to run for the congressional seat.

FORMER ASSEMBLYMAN

Quigley, who had served two terms in the past six years, lost to George A. Goodling, a former state assemblyman from York County.

Goodling's victory carries with it the distinction of returning President Eisenhower's home congressional district to the Republican fold. The President's farm home is in Adams County, which with York and Cumberland comprises the district.

The final unofficial count was Goodling 86,895, Quigley 76,673.

Twenty-six incumbents split evenly in Republican and Democratic ranks managed to retain their seats. However, the switch-over in two districts reversed the 16-14 majority that the Democrats had registered in the Pennsylvania delegation two years ago.

2 NEW REPUBLICANS

Two other new Pennsylvania Republicans will take seats in the House next January. Richard S. Schweiker, Lansdale, won handily in the 13th District, to follow up on his primary election win last April 26 over the GOP incumbent, Rep. John A. Lafore Jr. Haverford.

And former State Sen. J. Irving Whalley, by a victory over Robert M. Meyers, Lewistown Democrat, will keep the 18th District in GOP hands. Whalley carried the eight-county largely rural district by nearly 37,000 votes.

FELLS UNEXPIRED TERM

His triumph was a double one for he won a special election to fill the unexpired term of the late Rep. Douglas H. Elliott for the remainder of this year and to begin a full two-year term in the 87th Congress.

Also winning a full two-year

DEMOCRATS CONTROL STATE HOUSE AGAIN

HARRISBURG (AP)—The Democrats retained control of the Pennsylvania House of Representatives in Tuesday's election, unofficial returns showed today, and increased their majority by two votes.

Going into the election with a 108-102 majority, the count showed they will have at least 108 seats when the new House convenes in January.

Eighteen seats changed hands in the see-saw balloting with Democrats picking up 10 while losing eight.

NOT DEFINITE

Some seats may not be definitely decided until the official count later this month.

In Philadelphia, for instance, Republican incumbent Austin M. Lee held his seat by some 20 votes, and absentee ballots could upset that. Lee was the only surviving GOP member in the House as Democrats picked up the other three Philadelphia seats.

Besides these three, the Democrats unofficially won two in Allegheny and Luzerne counties, and one each in Delaware, Montgomery and Schuylkill.

OTHER WINS

Republicans took two Democratic seats each in Berks and York counties and one each in Clearfield, Fulton, Lehigh, Lycoming.

All the House leaders won re-election: Speaker H. G. Andrews (D) of Cambria; Stephen McCann (D) of Greene, Democratic floor leader; James J. Dougherty of Philadelphia, assistant Democratic floor leader; Albert W. Johnson, McKean, GOP floor leader; Edwin W. Tompkins, Cameron, assistant GOP floor leader, and W. Banner On Voting House Still Hangs

PHILADELPHIA (AP)—A banner urging the re-election of incumbent Democratic Rep. William A. Barrett was strong across a city street Tuesday with one end anchored to a building serving as a polling place in the 26th Ward. A citizens group poll watcher said the banner should come down. But he was unable to find any volunteers to scramble over the rooftops to strike it.

CRUSHED TO DEATH

MILLERSTOWN, Pa. (AP)—Arthur L. Fritz, 51, a Newport lumberman, was killed Tuesday while cutting timber east of this Perry County community.

Dr. Lee Morrissey, county coroner, said Fritz was crushed beneath a tree that toppled on him. Fritz was working alone at the time. His body was found by an unidentified man.

SOMETIMES IT PAYS

CHICAGO — Arnold Triste forgot about his \$450 when he closed his tavern for the weekend. He left the money in a cigar box, in plain view atop the bar.

After dawn, a cleanup man arrived and discovered that burglars had broken in while the tavern was closed.

The cigar box full of money was still on the bar—untouched.

Nixon Pledges Support To Kennedy; Workers In Tears

By MARVIN L. ARROWSMITH LOS ANGELES (AP)—Vice President Richard M. Nixon, smiling through bitter disappointment, went to bed today apparently feeling he had lost his battle for the presidency to Sen. John F. Kennedy.

With his wife Pat sobbing heartbrokenly at his side, he went before about 1,000 campaign workers shortly after midnight and declared: "If the present trend continues, Sen. Kennedy will be the next president of the United States."

As millions of Americans watched the dramatic spectacle on television and listened on radio, Kennedy for his fine race in this campaign.

About an hour after Nixon and his wife had made their appearance before the workers, many of them crying audibly, press secretary Herbert G. Klein told a news conference that the election still was undecided. As Nixon had done earlier, Klein kept talking about "if" Kennedy should win in the

and Mrs. Nixon, however, gave some indication that she felt the race was lost.

While her husband conferred with aides before making his statement in a ballroom of the Ambassador Hotel, Mrs. Nixon suddenly burst through the door and kissed each of three Secret Service men who had been assigned to the vice president during his campaign.

"I love you all," she said, and then added with a wry smile: "I guess I'll have to get a job teaching again."

AGED MAN KILLED

PITTSBURGH (AP) — An auto crashed into a utility pole on Lebanon Church Road in suburban West Mifflin Tuesday, killing Ellsworth Hamilton, 56, of nearby Clairton R. 2. Hamilton was alone in the car.

END STRIKE OF TEACHERS IN NEW YORK

NEW YORK (AP)—The city's first teachers' strike ended Tuesday night, the day after it began.

Delegates of the striking United Federation of Teachers (UFT) voted at a closed meeting to accept an offer from the Board of Education to return to work.

The board, with the backing of Mayor Robert F. Wagner, had guaranteed that no reprisals would be taken against striking teachers—if they returned to work today.

The union also agreed to meet with three top labor leaders acting as intermediaries in the dispute.

The walkout started Monday when the UFT struck over demands for improved working conditions and other issues. About 250 of the city's 837 schools had been picketed. Some of the city's one million students refused to cross picket lines and there were reports of minor vandalism.

ALL SCHOOLS OPEN

The UFT, which claims a membership of 10,000 among the city's 40,000 teachers, had asserted the strike was picking up momentum. But the Board of Education, while admitting disruptions in operations, said all the schools had remained open and would continue to do so. Supervisory personnel had been pressed into service and classes doubled up.

The schools were closed Tuesday, Election Day.

The UFT has sought duty-free lunch periods, more sick pay and

Fountain Hill On Bandwagon Again

BETHLEHEM, Pa. (AP)—A Pennsylvania precinct, which has favored winning presidential candidate in every election this century, was on the bandwagon again today with the victory of Sen. John F. Kennedy.

The precinct, one of two in the nearby borough of Fountain Hill, voted for the presidential winner by 576-380. Kennedy knew the results as soon as they were announced. He was informed over a direct telephone line to his home in Hyannis Port, Mass.

The borough population is made up mostly of factory workers, many of them Bethlehem Steel Co. employees. The other precinct in the borough voted for Kennedy too, 865-554.

Butler County Not For Health Facility

BUTLER, Pa. (AP)—Butler County Tuesday voted to dissolve the county health department, the first such unit formed in the state.

With 75 of 88 precincts counted, the vote ran 15,851-12,166 against continuing the department.

In 1956, the county voted 4-1 for the health unit, two years after it began operations as a pilot prospect in the Commonwealth. About 10,000 less people voted on the health unit referendum than in the presidential election.

Higher salaries than the current range of \$4,800 to \$8,300 a year. The Board of Education already has agreed in principle to two other demands, a union check-off system and steps toward collective bargaining.

STATE LEADER FOR NIXON TO CALL IT QUILTS

WAYNE, Pa. (AP)—"I'm not only going to call it a night, but I'm going to call it quits," said retired Lt. Gen. Milton G. Baker, chairman of the Pennsylvania Nixon for President Committee, spoke early today after election returns showed Sen. John F. Kennedy had won Pennsylvania and apparently the nation in the presidential election.

"It was incredible," said Baker. "I listened to the pros and they said we could not lose Philadelphia by more than 185,000."

He told of calling Nixon in California earlier today and promising to reduce the Democratic majority in Philadelphia considerably and carry the state by 250,000," Baker said.

Philadelphia gave Kennedy a 300,000-plus majority.

The general asserted, "We had one of the most organized and efficient citizen and Republican party efforts in Pennsylvania history."

Asked what happened, he replied, "I think the Republican party is worn out. We need young men. Kennedy fitted the bill for the Democrats."

FINISHED WITH POLITICS

"He made great promises and people like to think they are going to get something, instead of do something."

"I, of course, am finished with politics now. I just wanted to get Nixon elected."

MRS. DELLA BUTT

ABBOTTSTOWN—The Sunshine Sisters Class of St. John's Lutheran Church Sunday School met on Tuesday evening at 8 o'clock at the home of Mrs. Carl Elicker.

Edward Ballew is a patient at the Veterans Hospital in Lebanon. Charles Chubb spent the weekend on a hunting trip to Moshannon, Pa.

Mr. and Mrs. Wayne Noel, newly weds, started housekeeping in the Rodger property recently vacated by the Rexroth family.

The Ever Ready Class of the Emmanuel Reformed Sunday School will meet this evening at 7:30 at the home of Mrs. Lester Hoover.

The local card club met at the home of Mrs. Gus Ostrom this evening. Prizes were awarded and refreshments were served by the hostess.

The vice president Pennsylvania would be his. The general said Nixon never sounded more enthusiastic or confident.

when they're jumping shoes must be flexible

for every hop, children's shoes must be flexible; must bend with those tender bones.

for every step, shoes must protect, yet must allow feet to move freely.

for every jump, shoes must be sturdy to take the "ups and downs" of playgrounds.

We fit children's ACTIVE feet correctly. We feature leather shoes to protect them.
